

HEALTH CARE FOR MASSACHUSETTS CAMPAIGN

649 Massachusetts Avenue, Suite 8 ♦ Cambridge, MA 02139 ♦ (617) 868-1280

What's in a Number?

- The Massachusetts Constitution has been amended 120 times so far. When the Health Care Amendment passes, it will be the 121st Amendment to our Constitution.
- 121 is the way news of our Campaign spreads—one-to-one, person to person, neighbor to neighbor, activist to activist. Because this is a Citizen's Initiative, we are running our Campaign by connecting to people, explaining person by person what the Amendment is, how it helps and why it's needed.

Why the Hospital Bracelet?

- The hospital bracelet emphasizes two things: our commonality as patients and our commitment to health care. One day, everyone will be a patient. The Amendment is a way of guaranteeing that when you need to see a doctor, get medicine or have surgery, you will be able to.

What Can I Do?

- We are asking our 121ers to help with the Campaign in four different ways:
 - Write a letter to the editor (go to ma121.org for help)
 - Hold a house party (we have packets available to help)
 - Tell your friends, get them excited and involved
 - Call or write your legislators
