

TABLE OF CONTENTS

Page 1.....Q15A. Do you agree or disagree that all residents of Massachusetts should be able to get the same high quality coverage for medically-necessary health and mental health care regardless of their ability to pay?

Page 2.....Q15B. Would you favor or oppose an amendment to the state constitution that would require the state to make sure that every Massachusetts resident can get affordable, comprehensive, and equitably-financed health insurance coverage for all medically necessary preventive, acute, and chronic health care and mental health care services, prescription drugs and devices?

Page 3.....Q15C. Which of the following concerns you most?

Page 4.....Q15D. How confident are you that the sweeping reforms just enacted by the legislature to expand access to health coverage will ensure that you will be able to afford the health coverage you need

Page 5.....Q15E. If you had a constitutional right to affordable health care coverage, would that make you less concerned about whether you could afford needed health care for you and your family, or not?

Page 6.....Q15F. Should there be a question on the ballot in the November election seeking to amend the state constitution to ensure that every resident has access to affordable health coverage, or not?

Q15A. Do you agree or disagree that all residents of Massachusetts should be able to get the same high quality coverage for medically-necessary health and mental health care regardless of their ability to pay?
